MEMORANDUM FOR: Executive Secretary, USIB/IRAC

SUBJECT : Dissemination of CFIMs

1. As the presumed Executive Secretary-to-be for the Committee on Foreign Intelligence, you should have the action on dissemination of the two Committee on Foreign Intelligence Memoranda which were approved at the CFI meeting of 25 February.

2. Attached are copies of the approved memoranda: No. 1, "Issuance of Committee on Foreign Intelligence Directives and Memoranda," which merely alerts the Community that there are going to be CFIDs and CFIMs, and No. 2, "Continuity of Effort in Intelligence Community Activities," which tells USIB and its committees to continue to function as presently constituted until further word.

3. In my view, these should not get the normal USIB dissemination. It is my suggestion that CFI Memoranda be limited to distribution in Itek format, but that the CFI Directives, as they are issued, be given preliminary distribution as Itek reproductions, and then be disseminated in a printed version.
